

ALSO® PROVIDER COURSE

Advanced Life Support in Obstetrics (ALSO) is an evidence-based, interprofessional, and multidisciplinary training program that equips the entire maternity care team with skills to effectively manage obstetric emergencies. This comprehensive course encourages a standardized team-based approach amongst physicians, residents, nurse midwives, registered nurses and other members of the maternity care team to improve patient safety and positively impact maternal outcomes.

OVERALL COURSE OBJECTIVES

1. Discuss methods of managing pregnancy and birth urgencies and emergencies, which standardizes the skills of practicing maternity care providers.
2. Demonstrate content and skill acquisition as evidenced by successful completion of online course examination, skills workstations, and group testing stations.
